Welcome!

I am honored and so thankful to have each of you here tonight.

This year has been unlike any other and all of us want a sense of normalcy and holiday comfort. I hope that tonight provides you with these.

I am most thankful for my amazing cast, who have sacrificed time and talents to bring you tonight. They are amazingly talented people and I am inspired by their spirits. Tonight's cast has faced many challenges this year and our troupe has been determined to bring you joy this season.

Please enjoy each moment and know that we are all in this together and we anticipate new days in 2021.
